Rainbow Bridge Club \$250 Donation

Rainbow Bridge Club Members help to provide the ILEHC with essential support, so that when necessary, we are able to provide our horses with this final act of kindness. Additionally, it is the hope of the ILEHC to grow the Rainbow Bridge Club in order that we may help other horse owners who are in need of financial assistance in order to provide their animals with humane euthanasia. It is our strongest desire that no horse should ever be allowed to suffer unnecessarily because an owner cannot afford the costs involved with humane euthanasia and body disposition.
